Guitar accessories

Product 666976 Fender® Mojo Grip Tortoise Pick med. (3)

Safety Data Sheet for Guitar Accessories

Product: Guitar accessories (capos, slides, straps, picks)

Usage: This accessory is used to improve the playing performance and sound quality of guitars.

Materials:
Capo: plastic, metal (e.g. aluminum), rubber
Slides: Glass, metal (e.g. steel, brass), ceramic
Straps: Textile materials (e.g.nylon, leather), metal (e.g.steel, brass), plastic
Picks (plectrums): plastic (e.g. nylon, celluloid), metal

Risks:
Risk of injury: Sharp edges or broken parts can lead to cuts.
Risk of breakage: Improper handling can lead to breakage and injury.

Choking hazard: Small parts can be swallowed, which is particularly dangerous for children.

Allergic Reactions: Some materials may cause allergic reactions.

Security measures:
Handling: Handle the accessories with care and only use them for their intended purpose.

Protective Equipment: Use protective equipment, such as gloves, when necessary to avoid injury.

Storage: Store the accessories in a safe place, away from moisture and extreme temperatures, and out of the reach of children.

Allergic Reactions: Avoid contact with materials to which you have allergic reactions.

First aid measures:
Cuts or puncture wounds: Clean the wound thoroughly and apply a sterile compress. Seek medical attention if necessary.

Choking Hazard: Seek medical attention immediately if any part is swallowed.

Allergic reactions: Rinse the affected area thoroughly with water and seek medical attention if symptoms are severe.
