

Cleaning and care products for musical instruments

Product 666985 Fender® Am. Pro Guitar Polish 4oz Spray

Safety data sheet for cleaning and care products for musical instruments

Product: Cleaning and care products for musical instruments

Use: These products are used to clean and maintain musical instruments to maintain their longevity and sound quality.

Materials: Ingredients vary depending on the product but may include: water, alcohol, silicone oils, waxes, cleaning agents and special care oils.

Risks:

Risk of injury: Some cleaning products can cause skin or eye irritation if used improperly.

Inhalation hazard: Some vapors can cause respiratory irritation if inhaled.

Allergic reactions: Some ingredients may cause allergic reactions.

Security measures:

Handling: Wear gloves and eye protection when using the products to avoid skin and eye irritation.

Use: Use the products only on the instruments and materials intended for this purpose.

Disposal: Dispose of leftover products and their containers in accordance with local regulations.

Allergic reactions: Test the products on a small, inconspicuous area first before using them on a large area.

Storage Considerations: Store in a dry, cool place, away from direct sunlight and extreme temperatures.

First aid measures:

Skin contact: In case of skin contact, wash the affected area thoroughly with soap and water.

Eye contact: In case of eye contact, rinse eyes thoroughly with water and consult a doctor.

Inhalation: If you inhale fumes, move to fresh air and consult a doctor if symptoms persist.
