

Fingertrainer

Product 667744 Prohands® PRO heavy / black

Safety data sheet (SDS) for finger trainers

1. Identification of the substance/mixture and company:

Product Name: Finger Trainer

2. Possible dangers:

Classification of the substance or mixture: Not a dangerous substance according to Regulation (EC) No. 1272/2008 (CLP)

Hazard statements (H-phrases): None

Safety instructions (P-phrases): None

3. Composition/information on ingredients:

Main components: plastic (polypropylene, TPE), metal springs, silicone
CAS numbers: 9003-07-0 (Polypropylene), 9010-98-4 (TPE), 63148-62-9 (Silicone)

4. Firefighting measures:

Suitable extinguishing agents: water, foam, extinguishing powder, CO₂

Special hazards caused by the substance or mixture: No particular hazards known

Special protective equipment: Normal protective equipment for firefighting

5. Accidental release measures:

Personal precautions: No special measures required

Environmental precautions: No special measures required

6. Handling and Storage:

Handling: No special measures required

Storage: Store in a dry and cool place, protect from direct sunlight

7. Exposure controls/personal protection:

Technical measures: No special measures required

Personal protective equipment: No special measures required

8. Physical and chemical properties:

Appearance: Plastic housing with metal springs

Odor: Odorless, pH value: Not applicable

Melting point/range: Not applicable

Boiling point/range: Not applicable

9. Stability and Reactivity:

Reactivity: No particular reactivity hazards known

Chemical stability: Stable under normal storage and handling conditions

Conditions to avoid: None

10. Toxicological information:

Acute toxicity: No special toxicological hazards known

Sensitization: No known sensitizing effects

11. Environmental information:

Ecotoxicity: No specific environmentally hazardous properties known

Degradability: Not biodegradable

12. Disposal information:

Product: Dispose of in accordance with local regulations and environmental laws

Packaging: Recycling recommended

13. Transport information:

UN number: Not applicable

Transport regulations: Not a dangerous substance for transport

14. Legislation:

Safety, health and environmental regulations: No specific regulations known

15. Other information:

Sources: Information is based on the current state of the art and experience
