

Tuning devices for musical instruments

Product 690144 Fender® Bullet Tuner, black

Safety Data Sheet for tuning devices for musical instruments

Risks:

Electrical Danger: Electronic tuners operate on batteries or mains power and can cause electric shock if handled improperly.

Risk of injury: Sharp edges or protruding parts can cause cuts.

Risk of breakage: Tuners can be damaged if handled improperly.

Allergic Reactions: Some materials may cause allergic reactions.

Security measures:

Handling: Handle the tuners carefully and avoid knocking or dropping them.

Usage: Use only the recommended batteries or power adapters and ensure that electrical connections are made properly.

Disposal: Properly dispose of damaged or no longer functional tuners and batteries.

Allergic Reactions: Avoid contact with materials to which you have allergic reactions.

Storage Notes: Store the tuners in a dry, safe location, away from direct sunlight and extreme temperatures.

First aid measures:

Electrical Injury: Immediately unplug the tuner from the power source and seek medical attention.

Injuries caused by sharp edges: Clean the wound thoroughly and apply a sterile compress.

Allergic reactions: Rinse the affected area thoroughly with water and seek medical attention if symptoms are severe.
